# A Heartfelt Welcome from MarkGuru

---

**Together We Grow and Learn**

MarkGuru embraces **community and collaboration** at its core.

# Our Journey

MarkGuru began in 2022 with the launch of its first online learning program, delivering structured, high-quality education beyond physical boundaries at NRI City Greater Noida Uttar Pradesh .

In 2024, this vision expanded into the physical world with the launch of our first Neighbourhood Gurukul at Paramount GolfForeste, Greater Noida, Uttar Pradesh, blending online precision with offline care.

This hybrid model marked a new chapter—bringing learning closer to home with clarity, consistency, and confidence.

## FOUNDER MESSAGE

“At MarkGuru, we don’t believe in overnight success. We believe in 1% growth every day—because small, disciplined efforts, practiced consistently, build lifelong confidence and excellence.

MarkGuru is not just a place to study; it is a neighbourhood gurukul where every child is guided with care, clarity, and consistency, nurturing both academic strength and character.”

— Kunal Raj & Kiran Joshi

# The MarkGuru Philosophy

Core beliefs guiding our educational journey

# Philosophy Pillars

Core beliefs guiding our practices

## 1% Growth

Emphasizing consistent daily improvements fosters **long-term success** and encourages students to appreciate the journey of learning rather than just focusing on immediate results.

## Quality Focus

By limiting class sizes, we ensure that each student receives **individual attention**, allowing for personalized feedback and fostering a deeper understanding of the material covered.

## Clarity First

Prioritizing comprehension over speed cultivates **confidence** in students, helping them grasp concepts thoroughly before moving forward, ensuring they have a solid foundation for future learning.

# Vision 2026

MarkGuru aims to expand its Neighbourhood Gurukul movement, bringing quality education to key residential areas for community growth.

*Cleo County, Noida*

*Plumeria Garden Estate, Noida*

*DLF, Gurugram*

*Dasnac, Noida*

At each new centre, we will uphold our commitment to **limited seats**, premium learning spaces, and high-touch mentoring, ensuring every child receives personalized support and attention.

# Our Commitment

Promises for Quality and Growth in 2026

# Our Key Commitments

**Focusing on Academic and Community Growth**

## **Stronger Frameworks**

We are enhancing our academic structures to ensure robust curriculum delivery, providing students with the necessary tools to excel in their educational journey.

## **Improved Tracking**

Our focus on student tracking will allow us to monitor progress more effectively, ensuring personalized guidance and support tailored to each learner's unique needs.

## **Deeper Engagement**

By fostering deeper parent engagement, we aim to create strong partnerships, enhancing communication and collaboration for a more supportive learning environment for our students.
